

Year 11 Computer Science LEARNING JOURNEY

Producing Robust Programs - Testing

Trace Tables

Programming Techniques

AI Issues

Procedures & Functions

Legal Issues

Algorithmic Thinking

Pseudocode & Flow Charts

TCP/IP Model

Network Topologies

The Digital Divide

PUBLIC Examinations J277 Paper 1 & Paper 2

Boolean Logic – AND, OR & NOT

Operating Systems

SOFTWARE Systems & Applications

Decomposition & Abstraction

Device Drivers

Computational Thinking

Pattern Recognition

The Cloud

Year 11

Using Computing Devices at Home
