

Start

Year 12 History

The Origins of the Cold War

Students will look at the outbreak of the Cold War and begin to look at the rising tensions which occurred between the two super powers

Assessment

Students will be assessed on the outbreak of the Cold War and who was to blame, the east or the west.

The Widening of the Cold War 1949-55

Students will study how the Cold War reached Asia and Africa, as conflict between the super powers worsens and the Cold War reached its ultimate boiling point.

Assessment

Exams based on both the Tudors and cold war information students have covered.

2022-2023

End

The reign of Henry VII

Students will learn about the first of the Tudor family, the usurper Henry VII. They will look at how he was able to control his dynasty.

Assessment

Students will be assessed on the reign of Henry VII and the social, political and economic turning points of his reign.

The reign of Henry VIII

Students will learn about the tyrannical reign of Henry VIII and how he changed the landscape of the country through the reformation.

Revision
