Gunnersbury Catholic School strives to educate all of its pupils within an environment where the Catholic traditions of learning, truth, justice, respect and community are promoted.

School Mission Statement

So as to realise our mission, Gunnersbury works towards three aims:

- to build a community based on Christian values
- to maximise the potential of each individual within the school in academic, personal, physical, social and spiritual terms
- to produce young men and, in the Sixth Form, young women who will take those values beyond school to promote a better, more just society

We seek to achieve these aims by:

- demonstrating fairness and justice in all school systems
- promoting relationships based upon respect, tolerance and understanding throughout the school
- creating a partnership in learning which identifies and develops the talents of each individual
- learning, living and celebrating our Catholic tradition

Appearance and Uniform

Our uniform proudly displays the Gunnersbury Community that our students are part of. Correctly wearing the uniform and adhering to our appearance policy are integral to being a student of Gunnersbury Catholic School. The Gunnersbury dress code is underpinned by the following principles:

- To promote the sense of togetherness and belonging within our Catholic community
- To maintain the foci of all on learning and personal development
- To promote equality amongst our students

Students must be in full uniform and complying with the appearance requirements at all times when: on site; in a consortium school; they travel to and from school; on school trips (unless advised otherwise by staff). The manner in which students comport themselves has a considerable effect on the ethos of the whole school and our reputation beyond the school. Our pastoral system and teams will maintain the observance of our appearance and uniform requirements by our students.
